

## **2025 BUGBEE SUMMER GAMES**

# **HORSE Basketball Competition**

Wednesday, August 27 at 9:00 am

Venue: Maxfield Outdoor Sports Complex

## **Rules**

**HORSE is a basketball game where players take turns shooting from different locations.**

- 1. The first player (oldest of the group) will start the game. They will pick a spot on the court to shoot from.**
- 2. If the first player makes a shot, the other players must make the exact same shot.**
- 3. Any player that misses the shot will get a letter towards spelling HORSE.**
- 4. Once a player spells out H-O-R-S-E, that player is out.**
- 5. The last player standing, who hasn't spelled HORSE, wins the game.**
- 6. To make it more interesting, players can attempt fun trick shots! For example, players can attempt a backwards shot or shoot with their eyes closed.**
- 7. If the first player misses their shot, the next oldest player has a chance to create their own shot. The player creating their own shot does not gain a letter if they miss.**
- 8. Play proceeds in a loop, so once the youngest player takes their shot, the oldest player on the court takes their shot.**
- 9. If the player before them makes their shot, they must copy it. Once the order gets back to the original shooter, they get to create a new shot!**
